CLUB NOTES

OUTSTANDING AWAY GAMES RE-ARRANGED

North End had the bad luck to be without a fixture last week-end. First we were unable to fulfil an assignment with Crystal Palace owing to the home team being engaged in the F.A. Cup sixth round — a fixture which had to be postponed. Wintry weather also caused the postponment of our intended substitute match.

This was with our old friends, Tottenham Hotspur, for Friday evening, March 5th, at Deepdale, and there is no doubt that it would have proved a considerable attraction, the Spurs having undertaken to bring their team of costly, star-rated players. This enterprising move had been commended by many supporters.

Unfortunately a blanket of snow, a legacy of last week's wintry weather, put the match off and Tottenham were spared a journey. In any case, the bitter cold would have affected the attendance. Many were disappointed that the match could not be staged on Saturday, when it would have been possible to play it.

That would have been easy if our League fixture had been at Deepdale. As it was there was a clash with the home fixtures of Blackburn Rovers and Blackpool in the way — an unavoidable obstacle. Our only course was to settle for Friday night. The postponed game with Crystal Palace has been fixed for next Wednesday.

The following Tuesday we go to Swansea to play another outstanding League match twice put off. In between is our away match next Saturday with Manchester City, so that the team are faced with three tough engagements after to-day's meeting with Portsmouth. It will be recalled that City won by 5-2 at Deepdale.

CLUB NOTES—continued

All the more reason, then, why we should strive for revenge on a ground where Preston teams have accomplished some fine performances in post-war seasons. Even with a point per match for this season, the table positions, and the frantic struggle developing in the lower half, show that we must not relax.

One of the postponed Central League fixtures—at Stoke—was got out of the way this week, with North End on the losing side, but far from disgraced. The same may be said of our Reserves' home game with Liverpool last Saturday. We played some good constructive football, but the Anfielders were stronger finishers.

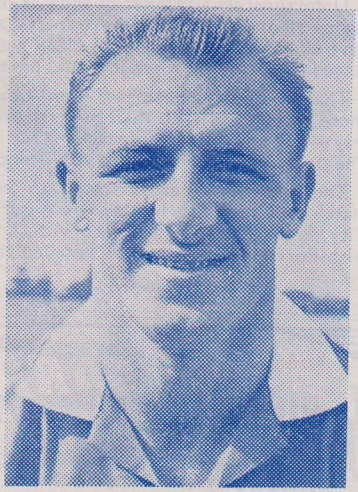
They snapped a late winning goal after North End had twice equalised and generally given a pleasing show, apart from their finishing, in line with the team's recent marked improvement. The away win in the previous match against Sheffield Wednesday was the fourth in succession, including a Lancashire Cup-tie.

Considering that the eight forerunning games had been lost and that only one win had been recorded by North End Reserves in four months, this little revival says something for their spirit. Lack of penetration which had been the big weakness, recently has been remedied to some extent, although much remains to be done.

The management has not lost any opportunity of pursuing possible means of strengthening our reserves. Several players have been watched, but it is extremely difficult these days getting reinforcements for second team duty, with their future up to themselves. They all want to play in the first team !

RIVALS IN F.A. CUP SEMI-FINAL

BILLY SHANKLY



TOMMY DOCHERTY

Two famous former North End right half backs, both Scottish Internationals with one ambition shared : it is to lead one of the Cup Final teams on to the field at Wembley. Shankly manages Liverpool ; Docherty, Chelsea ; and they clash in the Cup Semi-final at Villa Park.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Portsmouth*

In common with so many other clubs, Portsmouth, to whose officials, supporters and players we extend a hearty welcome, are going through one of those adverse phases which test loyalties and resources to the utmost. They are one of 13 First Division teams, including North End, currently in Second Division football.

It was their misfortune, in 1959, to be relegated after 25 successive years in the premier division, a performance of which "Pompey" are rightly proud, and the more so because their elevation was achieved after only seven seasons of League football, four in Division III from 1920, and three in the Second Division.

We have particular reason to remember that joyous last day of season 1926-27 for Portsmouth as North End were their opponents in a vital match at Fratton Park. Not only had "Pompey" to win ; they had to do so by a considerable margin to get the edge on Manchester City for second place to already promoted Middlesbrough.

Everyone knew that morning that goal ratio would settle the burning question. The issue depended mainly on how many goals Manchester City could get and not concede, for Portsmouth started with the better average. City put eight through without reply from Bradford City, making their aggregate 108 for the season.

But even this overwhelming win was not sufficient. "Pompey" took the bit between their teeth to beat North End by 5-1, "Farmer" Haines scoring four, and, as a result, gained promotion by what was described as the 200th part of a goal. It was their reward for conceding fewer goals (49) than any Division II rival.

Portsmouth had their taste of glory shortly before the last war, when they upset all popular forecasts with a 4-1 Cup Final win at Wembley against the powerful Wolves, who were after the "double" but missed-both, having to be content with second place to Everton, the League champions of that season.

"Pompey" finished 12th in the first post-war season, but then rose to greatness in five glorious years, winning the championship twice in successive seasons and not finishing lower than eighth. A decline set in and the writing was on the wall when Portsmouth were 19th and 20th in two consecutive years.

The following season (1958-59) they were relegated as the bottom First Division club and, ominously, narrowly missed further relegation a year later. The unhappy event was merely postponed for 12 months, "Pompey" going into Division III at the end of 1960-61. They fought back to win the championship in one season.

This, then, is Portsmouth's third season back in Division II, and one could hardly say it has been plain sailing. A glance at the table this morning shows that these are anxious days for as many as nine clubs from Rotherham (14th with 29pts) to Leyton (at the bottom with 24). "Pompey" are 16th with 27.

Their aim obviously will be to win at Deepdale and thereby change the normal trend of our matches with Portsmouth on this ground. It is a remarkable fact that they have won here only twice since our first meeting in 1925-26 — the following season and 21 years later. Of the remaining 18 we won eight and drew 10.

Portsmouth were founded in 1899 in succession to Royal Artillery Club, Portsmouth (Southern League 1898-9) ; and were themselves in that League from 1899 to 1920, then becoming one of the original members of the Football League Division III, on the extension of this organisation to three divisions.

PORTSMOUTH PLAYERS

John Milkins (*goalkeeper*). Over 13 stones and just short of six feet, has a long reach and is not easy to budge. Native of Romford and late of Dagenham F.C.

Ron Tindall (*right back*). The Surrey cricketer. Considerable experience with Chelsea, West Ham United and Reading. Signed September this season.

Roy Lunniss (*left back*). Another powerfully built defender — six feet one inch, 12 st. 6 lbs. Useful acquisition from Crystal Palace, he made 26 League appearances for "Pompey" last season. A Londoner.

John Gordon (*right half*). Formerly a forward, played in 36 League games last term and scored seven goals. Previously with Birmingham. Keen and constructive.

Jimmy Dickinson (*centre half*). Needs no introduction. Model professional in his 40th year with more than 700 League games to his credit and 48 England caps as a wing half. Also noted for never getting across with referees. Captain of the team he has served for many years with distinction and honour.

Harry Harris (*left half*). A Welshman from Newport County, born Magor, Monmouthshire. Seventeen League appearances last season.

John McClelland (*outside right*). A native of Bradford who was signed from Queen's Park Rangers. Last season second top scorer for Portsmouth with nine goals.

Brian Lewis (*inside right*). Another recruit from Crystal Palace, made 34 League appearances last term. Born at Woking.

Ray Hiron (*centre forward*). A local product from Fareham, born at Gosport. Has done well in this, his first season in "Pompey's" senior side.

Dennis Edwards (*inside left*). Tall (5 ft. 11½ ins.) and well built (12 st. 2 lbs.) for his job. Hails from Slough and was signed from Charlton this year.

Albert McCann (*outside left*). A winger who can be dangerous if kept in the game. Ex-Coventry and born Maidenhead. Nine goals in 37 League games last season.

SUPPORTERS' CLUB NOTES

THE CABARET SHOW, in which RAY FELL topped the bill, was a huge success. More shows of this nature with well-known entertainers are being prepared. They are likely to become a regular feature for one Tuesday evening each month.

COMPLAINTS by members at the rear of the dance hall will be met by fixing two amplifiers from the stage at the end of the room.

THE PURCHASE of a large illuminated bingo board is under consideration. A set dance programme for each Monday evening's "Old Tyme" session is being devised. Arrangements are being made for additional cloak room facilities at weekends.

THE WEEKLY DRAW is still increasing in membership but more agents are required to push the sale of tickets to the maxmum. There are many advantages to being an agent. Members interested should contact Mr. Hughes on any Friday evening or after the match.

FORTHCOMING TRIPS

MANCHESTER CITY (March 20th) — Members of the Supporters' Club party have been invited to a concert after the game at one of the branches of the Manchester City Supporters' Club. No evening meal has been booked for members staying on, but arrangements are being made to provide reserved tables in a restaurant at lunchtime for the early party. Stand tickets at 9/- and 7/- each are avilable when booking.

LANCASHIRE LEAGUE — DIVISION I

Manchester United "A" 1 v. North End "A" 4

North End took the lead within minutes through Worden who cutting in from the wing scored a fine solo goal. Wood the North End centre forward increased their lead minutes later when he rounded off a well-worked goal. North End with four successive wins behind them kept up their supremacy in the second half and added two more goals through Wood and Worden.

LANCASHIRE LEAGUE — DIVISION II

North End "B" 1 v. Manchester United "B" 6

North End who put everything into attack in the opening stages were unlucky not to take an early lead with a fine effort from Sheridan just going wide. United gradually took command and soon had opened up a three goal lead. J. Preston scored a fine goal for North End but generally the forwards lacked finishing power. In the second half North End missed a penalty with the score at 1-5. Man of the match was United's inside left, Sartorri who scored three fine goals.

LANCASHIRE LEAGUE — DIVISION I

North End "A" 2 v. Oldham Athletic "A" 3

Oldham Athletic shook North End with two quick goals inside the first three minutes. Midway through the half North End who had settled down managed to draw level with two fine goals from Wood. However, just on half-time Oldham took the lead with a long range shot that caught Stewart, the North End goalkeeper out of position with a dropping shot. In the second half Oldham with one goal lead packed their defence and though continually under pressure managed to hold out.

LANCASHIRE LEAGUE — DIVISION II

Rochdale "A" 1 v. North End "B" 1

The first half provided some fast, attacking football from both teams. North End should have been leading by half time but for some poor finishing from the forwards. Rochdale took the lead with a twice-taken free kick. North End fought back and centre forward Mullen twice came near to equalising. In the last fifteen minutes North End were awarded two penalties. Rochdale's goalkeeper saved the first one taken by Mullen, but had no chance with Heary's well-placed effort. North End were well served at full back by Mason and Johnson.
